PROVISIONAL ELECTION

Sir:

In response to the Examiner's Action dated September 29, 2003,  
please enter the following Provisional Election.

In the Examiner's Action dated September 29, 2003, the  
Examiner indicated that restriction to one of the following inventions  
was required:

- I. Claims 1-10, drawn to a movable wall system, classified in  
class 049, subclass 127.
- II. Claims 11-20, drawn to a runner rail, classified in class  
016, subclass 94R.

In response to the election requirement, Applicants hereby respond as follows:

The requirement for election set forth in the Action is hereby expressly traversed, and reconsideration and withdrawal of the requirement are respectfully requested.

It is submitted that the above-listed Inventions I and II are so closely related to one another that their examination could be most efficiently and effectively carried out in a single application.

However, in the event the election requirement is maintained, Applicants hereby provisionally elect Invention 1 for prosecution in the present application. Presently, Claims 1-10 all appear to apply to Invention I.

It is respectfully requested that an action on the merits be issued at an early date.

If mailed, I, the person signing this certification below, hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date indicated in the certification of mailing on the transmittal letter sent herewith, or if facsimile transmitted, I, the person signing this certification below, hereby
